19 ORDERED THAT Defendant's sentence of imprisonment is modified to time  
20 served pursuant to 18 U.S.C. § 3582(c)(1)(A); provided, however, the  
21 conditions of release are modified as follows:

22 1. The Court imposes a new, additional term of supervised  
23 release to run through the unserved portion of Defendant's original  
24 term of imprisonment -- to and including Defendant's current  
25 calculated release date of December 13, 2021.

26 a. The terms of such supervised release shall be the same  
27 as the terms of supervised release specified in the February 21, 2018  
28 Judgment and Commitment Order (Dkt. 124), with the exception that

1 Amended General Order 20-04, rather than General Order 18-10, shall  
2 apply.

3           b. In addition, Defendant shall serve this additional  
4 term of supervised release in home detention. During the period of  
5 home detention, the following terms and conditions shall apply:

6               i. Defendant shall participate in location  
7 monitoring, which may include radiofrequency monitoring, GPS, or  
8 voice activation technology as directed by the Probation Officer.

9               ii. Defendant shall be restricted to his residence at  
10 all times, except for medical needs or treatment, attorney visits,  
11 court appearances, or at the discretion of the Probation Officer.

12               iii. The home detention shall be served in the current  
13 residence of his mother, Alicia Curiel, in Chatsworth, California.  
14 The location where Defendant shall reside may be changed only with  
15 the approval of the Probation Officer.

16           c. Upon the completion of the home confinement portion of  
17 supervised release, Defendant shall remain on supervised release for  
18 five years under the same terms and conditions stated in § 1.a,  
19 supra.

20           2. Before being released from BOP custody, Defendant shall  
21 submit to a 14-day quarantine at USP Lompoc. This quarantine shall  
22 begin promptly after entry of this Order.

23           3. After the 14-day quarantine, Defendant shall submit to a  
24 health screening by BOP and, if Defendant is found to be exhibiting  
25 symptoms consistent with COVID-19 or Defendant is confirmed to have  
26 COVID-19, Defendant shall not be released to the public absent  
27 further order of the Court.

1           4. During the period of supervised release, Defendant shall  
2 comply with national, state, and local public-health orders regarding  
3 COVID-19.
